Off-Campus Grade _____

On-Campus Grade C

Final Practice Teaching Grade C

Remarks: Miss Baker was another case of a student having no interest in teaching, but the institution forced her to do at least 3hrs. of Practice Teaching. Much care has to be taken by the supervising teacher to see to it that the children are not "brutely butchered" by such non-interested students. We hope that Miss Baker will find work in her major field and never attempt to teach unless she changes her attitude. Even then, she should be required to do further study.
