Dear Co-Workers:

The Central Teacher Education Committee will meet on Tuesday afternoon, November 21, 1961, at 2:30 P.M., in the Conference Room of the Administration Building.

This meeting is called for the purpose of acquainting the members of the Committee with the new requirements for provisional certificates on the elementary and secondary school levels. These new requirements were approved by the State Board of Education on Monday, November 13, 1961. They are to go into effect in September, 1962. Therefore, it is very necessary that we begin at once to re-adjust our teacher education programs to comply with the newly approved requirements.

Please put forth a special effort to be present on Tuesday, November 21st.

Very truly yours,

J. M. Drew, Chairman  
Central Teacher Education Committee
