DR. ALVIN I. THOMAS
President

DR. H. E. ANDERSON
Director

Under the direction of Dr. H. Edison Anderson, the Prairie View A Cappella Concert Choir anticipates another memorable singing experience. This veteran of the stage has directed organizations and performed in concert halls more than twelve times coast to coast in tours and he usually performs upon request. Besides being able to arrange and direct, the conductor is a tenor of reputable rank having graduated from Prairie View and studied with Dr. O. Anderson Fuller, early in his career. He sang with Robert Shaw's Collegiate Chorale of New York and also the Columbia University Choir. His subject concentration in graduate school was music, emphasis voice and conducting with Dr. H. I. Stark, at the University of Iowa, where he completed his dissertation and was the recipient of the Ph.D. degree in Music, February, 1957.
