### *Greetings:*

At this time I wish to take this opportunity to thank our advertisers, patrons and friends for enabling us through their donations to carry out this program successfully. And, to the membership, I should like to express my deep appreciation for your untiring cooperation.

We can be of help to our community only by being true Langstonites, that is by continued efforts in working for worthy aims. It is hoped that our members and friends will continue the good work and without doubt some of the goals will be reached.

Sincerely,

J. OSCAR WILLIAMS
