Numerous radio, television, and recital performances have been sung and conducted by Dr. Anderson and the following are some of the capacities he has served in the field of music and music education:

1. Principal, Band Central Junior High School, 1938-40, Kaufman, Texas.

3. A veteran of World War II, 1942-45, with overseas service in England, France, Germany and Czechoslovakia.

Wilson, sang as soloist with the Columbia University Choir and was selected to sing with the famous Collegiate Chorale under the direction of Robert Shaw of Julliard; and while studying in New York also sang in two performances of Brahms' Alto Rhapsody with noted Carol Brice, under the direction of Serge Koussevitsky.
5. The summer of 1945-55, he studied in the opera workshop at the State University of Iowa under the direction of Dr. H. I. Stark, and sang the part of Don Curzio in the opera "Figaro," for four (4) consecutive nights in the Fine Arts Festival with seasoned singers of operatic experience.
6. The numerous times he has been chosen conductor of the All-State Chorus Festival of Oklahoma attests to the fact of his enthusiasm in working with young people and groups of all sizes as well as to those who have been inspired toward a professional goal.
7. Founder of the present site of the Music Department of Langston University. Director of the well known A Cappella Concert Choir and Head of the Department of Music there for several years.

The conductor was invited to become professor of Music at his Alma Mater, Prairie View Agricultural and Mechanical College and is also the Director of Voice and the Prairie View A Cappella Concert Choir. Dr. Anderson takes personal pride and interest in counseling with music students, many of whom are in responsible positions in the state of Texas and in the Southwest, and some have already gained prominence in the music world of today.
