Jessie Walton  
Laney Jackson

## The Conductor

MR. JAMES R. WILLIAMS received his Bachelor of Arts Degree in Music, August, 1948. In August, 1956 he received his Master of Arts Degree with a major in Instrumentation. Both Degrees were received from Prairie View A. and M. College.

As a college student, he became well known as leader of the Prairie View Collegians Orchestra.

Since receiving his first degree in 1948, Mr. Williams has served as band instructor at the Emmett J. Scott Senior High School, Tyler, Texas, where he has made an enviable record. Under his direction the Tyler band has participated in the Interscholastic League State Band Festival each year and for the past seven consecutive years received Division I Rating in both concert and marching.

Because of his outstanding record as a band instructor, teacher and leader in his school, community and state, the Prairie View Local Alumni and all "P. V.-Ites" are delighted to honor him.
