Your letter, stating that the picture taken of the 4-H Club boy at the District Show was not good and it would be necessary to take another, was received. I am of the opinion that this will consume too much time to go to Travis County to take another picture; therefore, you may consult the Photographer there and have another one made as cheap as possible and report the result to me as soon as you can.

I want to thank you again for the arrangements you made for the District Fair and your fine cooperation in each respect.

EXTENSION SERVICE  
COUNTY AGENT WORK

May 22, 1950

Dear Agent:

For some time a number of our County and Home Demonstration Agents have made inquiry concerning the Group Hospital and Surgical Plan which is now in effect sponsored by the Texas County Agricultural Agents Association in regard to increased coverage.

Mr. J. M. Minton, who has handled this business ever since it has been in effect, was kind enough to make up a new schedule which would give considerable more coverage than the policies we now have in force, therefore, I am sending this to you so that you may be informed and so that if the County and Home Demonstration Agents in their annual meeting at College Station would care to discuss this matter you will have time to think over the new proposal.

Mr. Minton informs me that he will be on the Campus from noon June 14 to the afternoon of the 16th and will be available to answer any questions that you might care to ask in regard to this matter.

This is being sent to you as a matter of information only, with no suggestions as to what action should be taken.

With kindest regards, I am

*D. L. Weddington*  
Sincerely yours,
