Dear Mr. Mayo

Enclosed you will find for your approval two(2) invoices on the Gilts I have purchased for Edgar East and A.C. Jackson. These Gilts had to be purchased to replace the two we did not get from Harold Wallace of Sealy, Texas and Willis Dean of Wallis, Texas. Harold Wallace's gilt has not bred and Willis Deans gilt aborted all of her pigs. These boys are not in a financial position to pay \$15.00 to replace the pigs and it is yet doubtful if their gilts will reproduce.

Very truly yours

Finus O. Tyler

Dear Mr. Mayo:

This will acknowledge that your letter for November 17 was received, concerning the buying of a male pig for the County Pig Program.

A delay in answering your letter, was to give me time to thank through your suggestion.

You and Mr. W. C. David are the bosses, and if you and Mr. W. C. David say to get a boar, I will go out and purchase one.

4-H club boys of Caldwell County, all want gilts. Therefore, it is hard to get a boy to take care of a boar, and this make for difficult at breeding time.

On November 14, 1952, I made an agreement with Mr. Maurice Reed, Route 1, Box 23, Dale, Texas, to breed the five gilts in the County Pig Program, at \$5.00 a gilt.

We have many adult leaders of the County, who do not know when a gilt is ready to breed. That is why we have to purchase so many pigs to keep the Negro 4-H Club Program going. Having this breeding done by professional hog raisers, will eliminate some of this failure, until men learn better.

Yours truly,

Kermit L. Knox

The name of the boy who is to receive the boar pig is Albert Earl Lee. Caldwell, Texas.

I received a letter Saturday from the manager of the S. S. Hog Ranch Hutchins, Texas stating that he was shipping the pig. I am sure I will receive him one day this week.

I am mailing you the report on the litters also. My reason for not attending the District meeting held in La Grange, Texas was due to the fact that my letter telling me of the meeting was missent to Lockhart, Texas and when I received it the meeting was over.
