This is to advise that we realize that you are in the middle of the swine distribution program at this time. For this reason we have taken the Austin County Swine Program matter up with Mr. Regenbrecht, and since the program in Austin County was not actually discontinued it will not be necessary for this matter to go before the committee.

You may advise the extension agent to purchase the replacement of pigs as in the usual way. All you have to do is give the agent a letter waiving the \$15.00 in all cases where no payment was made when the program was allowed to become dormant, in Austin County.

TO AGRICULTURAL AND HOME DEMONSTRATION AGENTS IN THE  
FOLLOWING COUNTIES

Austin	Colorado	McLennan	Travis
Bastrop	Falls	Matagorda	
Brazos	Guadalupe	Milam	

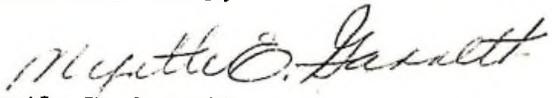

Dear Agents:

Sometime ago some of you spoke favorably of carrying whole farm and home demonstrations. If you are still interested in this type of work let us know at once. You, perhaps, have enough information to get the work started. In the event that you have already enrolled such demonstrators (not T.V.A.) let us have this information too. You need at least three families per county to work with. Specialists concerned have agreed to give such demonstrators special county help.

What about entering the Rural Neighborhood Progress Contest in 1951? It is a good idea and a very effective way to do extension teaching.

Those of you who wish to carry the 4-H Poultry Program in 1951 should make request to your respective district agent at once. A few requests are already in.

Yours very truly,

  
Myrtle E. Garrett
