Dear Mr. Mayo:

The second annual pilgrimage to the example farm demonstration that is being conducted by the Talford Collins family of Pilot Knob community will be held Friday afternoon, October 31. This pilgrimage is being held under the auspices of the Lower Colorado River Authority and is featuring the work of several Agricultural Agencies including: the Texas Extension Service, The Production and Marketing Administration, the Farmers Home Administration and the Soil Conservation Service. The agencies represented will explain to the public what they have done in the past twelve months to aid with this demonstration and will urge the farmers of Travis County to take advantage of their agency to duplicate similar work on other farms in Travis County.

The meeting will begin at 2:00 p.m. and we take this method of inviting you to be present. We will appreciate your coming and inviting your friends to come along.

The Talford Collins farm is located on Highway 183 going toward Lockhart, 3/4 miles beyond Onion Creek. Take the first gravel road to the right after crossing Onion Creek. Signs pointing to the Example Farm will be noticed on the right of the highway.
