Dear Mr. Stevens:

Your wire reached me at Bryan while I was in conversation with Mr. Baker, the Sears Representative, and in the course of the following conversation he agreed to see what could be done about replacing the lost hog and the pig for the chain; his opinion was that it could be done and your first place Gilt and Boar would receive their award of \$5 each.

Accidents are regrettable, but will occur. We hope to have better luck next time.

Yours Very truly,

Dear Mr. Sanders:

I wish to take this opportunity to express to you my gratification for the manner in which you handled the affairs of the District Gilt and Boar Show. The manner in which you handled this show was no surprise to me, however, the success of the show far exceeded my expectations.

I am enclosing a list of the winners and you can make your next news article as soon as possible. I estimate there were a total of 500 people in attendance. If you notice, this list is as the judges placed the animals, not the way the awards were made. I think it better for your Bryan papers.

I will have another letter written to your Judge that will be useable.

Very truly yours,

Dear Miss Lane:

During our Gilt and Boar Show which was held at Bryan, May 30, 1942, Mr. Howard Berry made shots of our hogs, and of many of our boys and agents with the hogs. Also the boys with the calves that were won as prizes.

I am of the opinion that many of these boys and agents would like to secure prints of these shots if arrangements could be arranged to secure same. We are having a District Conference at Angleton, June 6, and if it is possible for me to have a print of each of these shots, I can take advantage of the meeting to have them pool their and I could send them in, or if this arrangement is not satisfactory, I could use the negatives and have them made elsewhere.

If either of these arrangements are satisfactory, please forward this material to me at Angleton, Texas, c/o H. L. Hubbard, Negro County Agricultural Agent.

Yours very truly,

Dear Sir:

I wont be able to attend the meeting at Angleton on the six of this month. My wife had a major operation on the 27th of May and think it best to be around.

I am going to try and get the man who is on the planning board to be there if I possibly can. I am just about fagged out my self.

I am sending David a letter and asking him to act as chairman of the agents group. While he is serving dont you think it advisable to ~~have~~ him appointed or elected permanantly since he make the best man in cas e of an appointment. I think David or Mason would make a better man taking in to consideration their training and experience.

I hope the meeting goes off all right and I would like to be there but I cant see my way clear.

I have three problems that must be threshed out; we lost two gilts during show time and one previous. There is no doubt in my mind that the boys who lost their hogs trying to show them should have replacements and the boys who would have received pigs from all of these hogs should receive pigs so that the chain will not be broken.

Words are inadequate for me to express my appreciation for the keen, personal interest you manifested in the District Shows. I am of the opinion that your evident interest has done more good toward public relations than either you or I know.

I would appreciate it if you would write Mr. D. L. Wilson, Secretary of the Bryan Chamber of Commerce and County Judge S. A. Ware and express your appreciation for their cooperation in the Bryan Show. They furnished ribbons and hog feed, and also give them your opinion about R. A. Sears, Roebuck is entitled to much credit for promulgating such a program for in my opinion, it has value exceeded by no program I have worked with in years. I am enclosing copy of the County reports.

Dear Mr. Williams:

I have just received your letter of June 9, concerning the checks for Wiley Word and McGary Brown stating that there were checks enclosed for each. There were no checks enclosed with the letter. I wish you would please check on this immediately.

In explanation of my absence at the District Meeting at Angleton, farmers were absolutely unwilling to leave their crops at that time. Due to excessive rains in this section, there have been a very few days during the last two months that farmers could work in their crops. Many have not yet got their crops up.

I did not think that you wanted me to attend the meeting without the farmer representation.

Very truly yours,

W. C. David

Due to bad tires which were not sufficient to make such a trip, we had to call off going to Angleton. I had some ordered expecting them to reach here in time but they have not yet arrived.

Dear Mr. Williams:

In reply to your letter of June 9, as to why I did not attend the District meeting at Angleton I did not have sufficient tires to make the trip. Up to the last minute I was made to believe by a person that I could purchase two tires. I could have come down on the Bus but was trying to secure tires in order that I could bring farmers with me.

I had planned to bring Boys to Bryan to the Pig Show but tires were insufficient. Up to the present I have purchased \$25. worth of tires. I have two that are being recapped and expect them by the 15 inst. I am doing County driving on some hells. Every day I expect to not get in. I am,

Yours truly

Dear Mr. Williams:

In reply to your letter dated June 9, reference to my absence from the District Meeting, June 6, I wish to say that on this date, it was raining hard here in my county, and the farmers could not get to me, and I could not get to them. In fact it rained until noon too hard for either of us to make contact with the other.

Since this was a district meeting of farmers, I didn't feel it necessary to drive that far with-out farmers, and the people who were to have gone with me, could not have gotten to me under such weather conditions as we had.

Respectfully yours,

D. M. Marshall

Dear Mr. Williams:

We started to the meeting on the 6th as you had requested and got below Altair and it was raining so much we stopped and waited for it to slow up as we could not see to drive.

When it stop raining we could not get the car started as every thing was wet, when we got it started it was really to late to get to the meeting. I regret it very much as I was more than anxious to attend the meeting.

The following farmers were with me: W. J. Adams E. L. Johnson, J. S. Thompson and A. I. Stevens.

When we stopped seemed as if we were in a cloud burst in a few minutes the High Way was covered with water.

Please do not think it was any fault of mine is why I was not at the meeting.

I am Respectfully yours

J. E. Mayo
Negro Co. Agri. Agent.

Dear Dr. Evans:

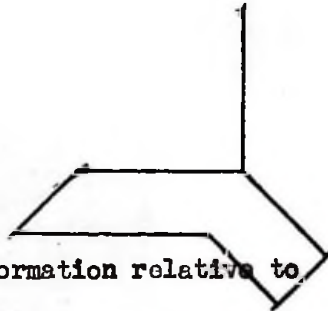

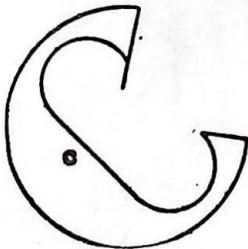

During the past month you requested information relative to the condition of my travel account.

There were several questions in my reply that I need information on rather urgently. In May I made out a travel account on the Victory Council organization work and another on the work done conducting the County Pig Shows. If both of these accounts are accepted on the basis of regular travel, my account for this fiscal year will be overdrawn as of June 1. However, if the travel account for the organization work is accepted on the basis of extra work, I will have sufficient funds to carry out my work the balance of the month. I need to know what my travel balance is for June.

I would appreciate it if you would secure this information for me as soon as possible as I cannot intelligently make out my itinerary for the month of June.

Very truly yours,

J. H. Williams

Dr. E. B. Evans

Dear Dr. Evans:

In line with your suggestion in your letter to me concerning the situation in Lee County as it concerns C. U. Westbrook, I have checked the situation carefully and obtained the following information, mostly from the County Judge.

1. That as far as he knows, the agent's work is satisfactory.
2. That all of the agitation is being engineered by E. Smith and Sydney Hickey, (both of these want the job)
3. That in his opinion there is no foundation to their and other claims (that Westbrook is not working)
4. That neither he nor the Court deserves a change of agents.

I do plan to follow the situation in Lee County very closely as I realize the true situation as to the agent and the county itself. However, if I was able to know the source of Mr. Adams information, I could investigate this case with more accuracy.

Very truly yours,

J. H. Williams

Dear Mr. Sanders:

I wish to take this opportunity to express my appreciation for the fine manner in which you made arrangements and conducted the District Pig Show.

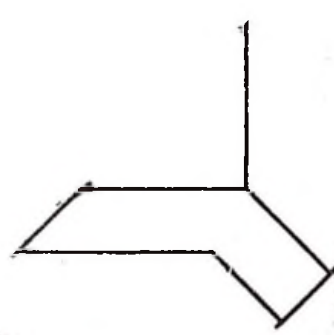

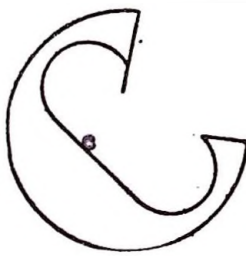

My confidence in you and your farmers' ability to handle such a program was amply justified and the assistance you were able to secure in the form of grounds and feed and ribbons further justified this confidence.

I have written Judge Ware and Mr. Wilson thanking them for their assistance.

No doubt if we have a District Show next year, it will be at Bryan.
