Dear Mr Weddington:

Under separate cover I am returning the Federal Land
Bank film: "Porky Special."

I have run this film in several meetings, and I find
it is exactly what we will need to put the finishing
touches on the Educational exhibit we are preparing
for the Fat Stock Show, Houston, Texas, February 6-
15, 1942. Will it be possible to put this film on re-
serve for these dates? If so, I shall request it
about February 5rd.

Beaumont, Texas,
Jan 24, 1942,

Prof J. H. Williams,
Dist Agent,
P. V. Texas,
Dear Sir:

As you know, I am always slow in the expression of my opinion as to programs or setups planned or formulated by any person or groups, but must tell you that your farm organization of negro farmers State council as I saw function in our meeting of yesterday is one of the most far outreaching and valuable assets in the development of a definite goal of progress that has ever been my pleasure to commend since my connection with the service.

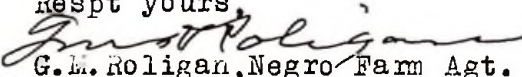

"A farm program for the farmers and made by the farmers" is the means by which results will be accomplished is my prediction. I have always believed that the man behind the gun should pull the trigger, even in training and it was proven yesterday that they too know how, when and what to shoot.

Of the many farmers after the meeting I talked with, of which was in keeping with what was carried on, pointing to the future, I have never found people more optimistic and earnest in all my life.

Jno. I just have to give this to you in black and white, because of my feeling in honest regard to the reaction of those farmers attending.

Thanks to you, and remember Jefferson county will be in there pitching.

Respt yours,

G. M. Roligan, Negro Farm Agt.
Beaumont, Texas.
