SPEAKER

October 30, 1970

Mr. Marion Henry
Post Office Box 2704
Prairie View, Texas 77445

Dear Mr. Henry:

During the past number of years, many issues, many problems and many comments have been advanced in our direction. Any conscientious elected official always appreciates the interest and concern of people such as yourself.

The real elements behind decision-making stem from sound friends, good training and added knowledge relating to the various subject matters. I want to personally thank you for the fine relationship we have enjoyed, and it is my pleasure to forward to you a special proclamation from the Speaker's Office.

Best personal regards!

Sincerely,
